**Come by and check out all the AMAZING things
that are happening right here in Temple City!**

This year we celebrate our 70th Anniversary of Excellence in Catholic Education! We are proud to offer a strong foundation for the future leaders of our world, while continuing on our journey of faith in Catholic education. Our administration is working collaboratively with all the ministries of the parish to help the St. Luke Catholic Community. As we remember years gone by, we are thankful for all the contributions of our predecessors. Those gifts have become the traditions which make our school a place where faith, service, excellence, and stewardship are learned and will continue to thrive from one generation to the next. Through the hard work of the present administration, faculty, and staff, our school continues to educate and make a difference in the lives of children.

If you have an opportunity, come by and visit St. Luke Catholic School and take a tour. You will be amazed to see the many great things that are taking place. St. Luke Catholic School continues to be a fabulous place to educate students who are well-prepared for their future. We are proud of the educational, spiritual, and extra-curricular programs, which help form students into the leaders of tomorrow. Our Catholic identity and values are integrated into everything we do. Besides our strong core curriculum, students are offered a variety of learning opportunities, both in and out of the classroom. Music, Art, PE, and Spanish are incorporated into our Transitional Kindergarten through 8th grade curriculum, and students are invited to participate in many different extra-curricular activities. St. Luke Catholic School has something for everyone.

Our students are very well-prepared to transition into high school. They are being accepted into high schools, such as: Bishop Amat, Don Bosco, Flintridge Sacred Heart of Mary, La Salle, Loyola, Ramona Convent, St. Francis, St. Lucy's Priory High School, etc. Our Alumni visit us year after year telling us of their many accomplishments and successes, due to the foundation that they received here at St. Luke Catholic School.

We have three Robotics teams that design, build, and program robots. These teams amaze us and do well in Robotics competitions year after year. Our Student Council plans and conducts our assemblies, prayer services, and assist in the faith formation of our students. Our student Graphic Design Team takes pictures, builds pages, and creates an awesome yearbook. Our Speech and Debate Team has a way with words, and can put up a persuasive argument when competing in tournaments. Our Theater Club performed *The Story of Buddy the Elf* on December 6th. If interested, please come by the school office for tickets. In spring, they will be performing *The Little Mermaid*. They are marvelous!

You simply have to check our Theater Club out!
